Before Starting the Project Listings for the CoC Priority Listing

The FY 2019 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2019 CoC Program Competition NOFA.

The FY 2019 CoC Priority Listing includes the following:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2019 CoC Program Competition NOFA.
 - New Project Listing – lists all new project applications created through reallocation, the CoC Bonus, and DV Bonus that have been approved and ranked or rejected by the CoC.
 - Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
 - UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2019 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
 - CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
 - YHDP Project Listing – lists the eligible YHDP renewal project for the CoC that must be approved and ranked or rejected by the CoC.
 - HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.
   Things to Remember:

- All new, renewal, and YHDP projects must be approved and ranked or rejected on the Project Listings.
 - Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
 - If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
 - For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
 - If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected: however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

MEMORANDUM

To: U.S. Department of Housing and Urban Development

Cc:

From: Connor Everson, State of Colorado Consolidated Plan Coordinator

Date: September 19th, 2019

Re: Partial Certification of Consistency

The State of Colorado Department of Local Affairs (DOLA) coordinates development of the HUD-required State Consolidated Plan. This plan also serves as the State's application for five HUD formula grants: CDBG, HOME, Emergency Solution Grant, HOPWA, and national Housing Trust Fund. As such, DOLA also reviews and issues Certifications of Consistency under the Plan for local applications submitted under a number of HUD programs in Non-Entitlement areas (i.e., proposed projects located in municipalities and counties not receiving Community Development Block Grant (CDBG) Entitlement funds annually). This also includes Public Housing Authorities (PHAs) as mandated under HUD Notices PIH 2001-26 and PIH 2015-18, and Continnua of Care (CoCs) under 24 CFR § 578.27.

DOLA is in the fifth and final year of it's current Consolidated Plan which remains effective through March 31, 2020. The 2020-2024 Consolidated Plan, which will be effective from April 1, 2020 through March 31, 2025 is still being drafted and has not been submitted to or approved by HUD. DOLA cannot certify that any activities which are planned to take place after March 31, 2020 will be consistent with new 2020-2024 Consolidated Plan. This is because the strategic priorities and goals which will be included in the new Consolidated Plan are to be informed by a market analysis, needs analysis, and citizen participation process which have yet to be completed.

Thus, it is indeterminate whether the applicants activities will comply with the 2020-2024 Consolidated Plan at this time. DOLA will review how the activities described in this application comply with the 2020-2024 Consolidated Plan when HUD approves said plan. If DOLA finds that the application is consistent then it will issue a Certificate of Consistency, if not, DOLA will issue a memorandum detailing the reasons for inconsistency. Until that point in time, DOLA certifies that the activities described in this application are consistent with the State of Colorado's Consolidated Plan through March 31, 2020.
