

Colorado Balance of State Continuum of Care

January 2020 Sheltered Point-in-Time (PIT) Count

Persons in Rapid Re-Housing

Name of organization:	
Name of program:	

For Rapid Rehousing (RRH) programs, please provide a count of the number of persons, including all adults and all children, enrolled in the program on the night of the PIT count; as well as the total number of units in the program, in order of the following breakdown:

1. Point-in-Time Count Totals

A. List total # of persons without children (Adults Only) staying in the program the night of the PIT Count here:	
B. List total # of persons with adults and children (total number of people in a household) staying in the program the night of the PIT Count here:	
C. List total # beds for unaccompanied children (if <u>children under 18</u> with <u>no adult</u> in the <u>household</u>) here:	
Total number of persons who stayed in the RRH Program on the night of Tuesday January 28 th , 2020 (A+B+C = Total #):	

2. Total Unit # for Families on the night of the PIT Count

D. <u>List total # of housing units</u> utilized by the individuals and families in the program on Tuesday January 28 th , 2020 here:	
--	--

Please remember:

- **Unaccompanied children do not have adults with them.** If a child is in the program with a parent/guardian, they would count in row “B” above.
- **Units** would be the total number of dwellings the individual and/or families stayed in the night of the count. Please see PSH directions if there is any confusion about how to count Units.
