

Request for Proposal – Stout Street Recuperative Care Center Services

PURPOSE

Colorado Coalition for the Homeless (CCH) is pleased to submit this Request for Proposal for qualified vendors to submit a proposal to provide daily staffing and services in the Stout Street Recuperative Care Center (SSRCC). This will be a 24/7 program requiring a myriad of operational and frontline support services from potential service vendor partners. Partners will need to be aligned with CCH's mission to work collaboratively toward the prevention of homelessness and the creation of lasting solutions for families, children, and individuals who are experiencing or at-risk of homelessness throughout Colorado. CCH advocates for and provides a continuum of housing and a variety of services to improve the health, well-being, and stability of those it serves.

The SSRCC will meet the immediate health care needs for 500+ people experiencing homelessness annually through medical respite, also known as recuperative care. This "first-of-its kind" facility will provide up to 75 daily medical respite beds on the first three floors of the building targeted to people experiencing homelessness with acute medical conditions. These individuals with a medical condition need a higher level of care than the streets can safely support. For people experiencing homelessness, recovery "at home" is not an option, and this new facility will provide safe, dignified, and quality spaces for people to heal and stabilize while working with an integrated healthcare team of Coalition staff to identify long-term housing options.

Broad staffing and service goals include the staffing and management of janitorial/housekeeping efforts on the first three floors of the SSRCC; meal planning, preparation, serving, and management; and laundry services. Goals focus on trauma-informed care and support to clients and a collaborative communication expectation between the partnered organizations. CCH has partnered with service partners on prior projects, and we are committed to teamwork and partnered support with a collaborative approach.

EEO Expectation for all submissions and partners

It is expected that all who respond to this RFP share the Coalition's commitment to equal employment opportunity principles, and base employment decisions on applicant and/or employee qualifications, without regard to disability, race, creed, color, sex, sexual orientation, gender identity, gender expression, religion, age, national origin, ancestry, veteran status, or any other protected class under Colorado or Federal law.

PROJECT DETAILS

Project Overview and RFP Rationale

CCH is seeking qualified vendors to manage multiple aspects of the staffing and service provision of the janitorial, food, security, and laundry amenities onsite while maintaining a focus on CCH's organizational mission and the SSRCC program focus on trauma-informed integrated care for an acute medical need.

Request for Proposal – Stout Street Recuperative Care Center Services

Support will be provided in the first three floors of the SSRCC building. An expected daily census of 70-75 daily patients is expected, including a discharge expectation of 5-10% of census daily and an intake expectation of 5-10% of census daily.

Vendors must provide and maintain any and all licenses and permits required of the City, County, State and Federal Government, as well as any other legal and regulatory requirements. Vendors must provide and maintain any and all applicable insurance requirements at vendors' own expense and must present a certificate of insurance naming the Coalition as an additional insured and certificate holder prior to the commencement of work. Required coverage may include but are not necessarily limited to, commercial liability, workers compensation, crime, business automobile, and umbrella/excess coverage at limits that will be communicated to the vendor upon selection.

There are many benefits associated with partnering for staffing and service support, including:

- Greater access to a larger candidate pool
- Quicker recruiting and hiring turnaround
- Less bandwidth to HR, IT, finance, and other administrative teams that support employees directly/indirectly
- More community partnership in leveraging expertise for food preparation, food serving, food cleanup, menu planning, and food cost control and inventory management that community partners possess
- Leveraging community partners' connections that would be beneficial for SSRCC operations
- More flexibility with program staffing and service needs that will start off smaller and scale up within first 1-3 months of program start date
- Greater ability to hire individuals within specific areas of expertise and focus

Janitorial/Housekeeping Statement of Work (SOW)

The Vendor will provide janitorial support for the first three floors of the SSRCC and the outside of the building. Laundry is covered separately. Vendor will provide all service support for janitorial/housekeeping. Vendor will provide and manage all supplies and service requirements associated with janitorial/housekeeping tasks.

 - High dust wall, light fixtures and ventilation grilles.

SPECIAL SUPPORT NEEDS:

- Cleaning as needed for individuals unable to fully manage their own space
 - Predicted amount is less than 5% of census at any given time

GOALS

Identified Partnership Service Goals

CCH is seeking a qualified vendor to partner with us to provide support to ensure the SSRCC program is operational in a functional and efficient manner to meet the needs of up to 75 clients every day. This program will provide a much-needed resource to the unhoused in the Denver-metro region and services will fill a current gap in the healthcare system. Support to clients will have a focus on trauma informed care; motivational interviewing to partner on shared goals; and harm reduction. Support between organizations and teams will have a focus on trauma informed communication, SBI feedback, and a collaborative approach to navigating challenges that arise. Partnered organizational goals will include regular meetings and frequent check-in between leadership and a supportive environment for frontline staff onsite.

CCH is requesting vendors allow CCH to have input and guidance regarding necessary trainings for all vendor staff, especially in areas of communication, feedback, collaboration, motivational interviewing, trauma informed care, harm reduction, and social determinants of health. CCH is requesting vendors partner on a collaborative framework of structure so that vendor staff attends CCH meetings, huddles, and participates as needed for optimal teamwork between organizations.

Project Deliverables

Following is a complete list of all project deliverables:

Request for Proposal – Stout Street Recuperative Care Center Services

Deliverable	Description
Deliverable #1 (general)	Vendor will provide framework for notification of issues/challenges/problems to CCH staff
Deliverable #2 (general)	Vendor will provide regular availability for meetings to collaborate
Deliverable #3 (janitorial/housekeeping)	Cost Estimate for Janitorial/Housekeeping services described in SOW for 01AUG2022 through 31DEC2023 (initial contract period)
Deliverable #4 (janitorial/housekeeping)	Staffing (FTE) Estimate and suspected hours of operation/support for Janitorial/Housekeeping services described in SOW for 01AUG2022 through 31DEC2023 (initial contract period)

Deliverable #6 (janitorial/housekeeping)	Staffing (FTE) Estimate and suspected hours of operation/support for Janitorial/Housekeeping services described in SOW for 01JAN2024 through 31DEC2024

Timeline for Execution and Solicitation

Key project dates are outlined below. Dates are best-guess estimates and are subject to change until a contract is executed.

- 23MAR2022 – Solicitations extended/open to Vendors
- 04APR2022 – Questions, clarification, additional information, and feedback requested to CCH from Vendors will be made by this date
- 012APR2022 – Questions, clarification, additional information, answers, and feedback requested by CCH to Vendors will be made by this date
- 19APR2022 – **Proposals due to CCH by this date by 1159**
- 03MAY2022 – Selection of Vendor/Vendors services bid approval or decision to choose no bid/no services support made by this date
- 04MAY2022 – **Notification to Vendors of decision for bid approval or decisions of no services will be provided by this date**
- 05MAY2022 – Meetings for vendor collaboration timeline will start on this day; Contract negotiations, if applicable, start on this day
- 15JUN2022 – Contract finalized and executed
- 01AUG2022 – Doors expected to open with goal of 75 patient daily census within 2-3 weeks

Supplied Material

CCH will not provide supplied material for the execution of the laundry, food, security, or janitorial/housekeeping services. Vendor is expected to supply their own materials for the execution of all services.

Request for Proposal – Stout Street Recuperative Care Center Services

SOLICITATION INFORMATION

Contract Type

This contract will be a Firm Fixed Price with Prospective Price Redetermination contract with allotment for cost method that establishes a firm fixed price for the initial contract period but allows for mutually agreed-upon increases or decreases annually during subsequent price periods. A fixed-price contract with prospective price redetermination will be used so both parties can negotiate a fair and reasonable firm fixed price for an initial period, but not for subsequent periods of contract performance.

CCH may provide for a ceiling price based on evaluation of the uncertainties involved in performance and their possible cost impact to the organization and this project. This ceiling price, if provided, will provide for assumption of a reasonable proportion of the risk by the contractor and once established, may be adjusted only by operation of contract clauses providing for equitable adjustment or other revision of the contract price under stated circumstances.

Solicitation

CCH is excited at the potential partnership with you.

Please submit your solicitation/proposal via electronic file of potential Vendor's choice to the following individuals by April 19th, 2022, at 1159. Please use the following nomenclature for your file name and subject line: [Date]_[Service/services proposed]_Organization name. Example: 3-23-2022_AllServices_ColoradoCoalitionfortheHomeless. Second Example: 4-10-2022_Food_CCH.
