

FORT LYON DETOX SUMMARY

Substance	Detox Period	Notes
Alcohol	3 to 5 days preferred	Person centered and if length of time not feasible, we can accept but might need to take to third party for detox upon arrival.
Meth IV	60 days clean or 28-day inpatient	Arrangements with third party at local facility for inpatient might be available if not at an option at current location.
Meth Other	30 days clean or 28-day inpatient	Arrangements with third party at local facility for inpatient might be available if not at an option at current location.
Marijuana	48 hours	Due to length of residual in system, use needs to be disclosed in the event of UA. Program will then know why someone is positive.
Cocaine	30 days clean or 28-day inpatient	Arrangements with third party at local facility for inpatient might be available if not at an option at current location.
