

**Saturday, December 21st, 4:00-5:30pm**  
**Denver City and County of Building**  
**4:30 PM Program**

This year's program will include songs by Denver Chorale, opening and closing remarks, eulogy by Randle Loeb, and the reading of names by local service provider organizations. Each name will be followed by crowd recitation of "We Will Remember."

On the longest night of the year, the Denver community comes together to honor our neighbors who passed away while experiencing homelessness. For 36 years, the Coalition for the Homeless has hosted this event in honor of those who have died in the previous year. For many, this will be the only service to mark their death.

Colorado Coalition for the Homeless does our best to collect all of the names of people who have passed away while experiencing homelessness. The total number of names on this program is 276. We know that we are unable to obtain all of the names, which means we may have inadvertently excluded someone.

Please accept our sincere apologies if this is the case.

**We invite you to create your own luminary at the end of the event to honor anyone whose name was not included.**

### Thank You
