*Colorado Coalition for the Homeless does our best to collect all of the names of people who have passed away while experiencing homelessness. We know that we are unable to attain all of the names, and this year we also did not receive names from the Denver Office of the Medical Examiner like we generally do which means we may have indirectly excluded your loved one. Please accept our sincere apologies. **We invite you to create your own luminary at the end of the event to honor someone who did not have their name included, or to include a message of remembrance and love.**

Thank You

Catholic Charities, City of Denver, Colorado Coalition for the Homeless, The Delores Project, The Denver Chorale, Denver Christkindl Market, Denver Office of the Medical Examiner, Denver Rescue Mission, The Denver VOICE, The Gathering Place, Earthlinks, Harm Reduction Action Center, Mental Health Center of Denver, Metro Denver Homeless Initiative, The Refuge, Senior Support Services, St. Francis Center, U.S. Department of Veteran Affairs, and Volunteers of America

Safety precautions this evening

- Be respectful of those mourning around you.
- Wear a face covering over your nose and mouth for the duration of your time at the memorial (adults and children over five years old). If face coverings are removed or worn improperly, you will be asked to leave.
- If you do not have a face covering, one will be provided to you.
- Maintain six feet of distance between each household.
- Move only once the household in front of you has moved on to the next section to maintain proper social distancing. If you must pass, please allow six feet between you and others.
- Children under the age of 14 must be accompanied by an adult.
- Move through the event by following the signage and arrows. Maintain one-way traffic.
