IMPORTANT INFO FOR COALITION CLIENTS!

Changes Coming to Colorado's Medicaid Program

Starting January 1, 2027, some Coloradans who are part of Health First Colorado (Colorado's Medicaid program) will be impacted by federal changes to Medicaid.

WHAT ARE THE CHANGES?

- Medicaid renewals will happen more often: Every six months, instead of once per year
- There will be requirements for work or community engagements for some adults (ages 19 to 64) on Medicaid. These changes do not impact everyone, and not everyone will be affected in the same way.

WHAT CAN I DO NOW TO PREPARE?

The Coalition is working with all of our staff and trusted partners to understand these changes, and be prepared to help you. If you have questions, talk to your case manager, medical provider, or other trusted Coalition contact.

But there is one big way to be prepared for these changes! Please update your information in the Medicaid system now:
